JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

provisions of section 1 of this supplement shall, on conviction thereof, forfeit and pay a penalty of $10 for the first offense, and for each subsequent offense the sum of $25.

[Ordinance, Board of Health, adopted June 27, 1912.]

MOBILE, ALA.

STABLES—CONSTRUCTION AND MAINTENANCE.

SECTION 1. That every stable, shed, or lot where two or more horses, mules, or cows are kept in the city of Mobile shall be thoroughly cleaned at least once in each day; and when such animal or animals are kept in a stable, shed, or other building such building shall have sufficient light to make cleaning practicable and sufficient ventilation to keep the air of such building pure at all times, and no person or corporation shall maintain or use any stable for two or more such animals in violation of this ordinance.

SEC. 2. That every stable, shed, or other building where two or more horses, cows, or mules are kept shall have, either within or immediately adjoining, a water-tight covered room or box, bin, or barrel for receiving and holding manure and litter accumulating between the times of removal from the premises. The fitness of said room, box, bin, or barrel shall be passed upon by the city health officer.

SEC. 3. *Be it further ordained,* That all stall floors in stables shall drain into gutters, the said gutters to be connected through catch basins with the sanitary sewerage system of the city in accordance with section 671 of the Code of Odinances of the city of Mobile of 1907.

SEC. 4. That the floors of all stables must be constructed of concrete at least 4 inches thick, with a smoothly troweled wearing surface at least three-fourths of an inch thick, composed of Portland cement and sand, in the proportion of one part to one and a half parts, respectively: *Provided,* That in lieu of a cement wearing surface vitrified paving brick with grouted cement joints may be substituted. The floors of stalls or portions of the floor on which animals stand may be of concrete, as specified above, or may be constructed of creosoted wooden blocks laid on a concrete foundation or of planking laid on such foundation.

SEC. 5. That a three-quarter inch hose bib equipped with hose shall be placed so that the drainage system may be readily flushed, and that all stable floors must be thoroughly cleaned and flushed as often as may be necessary and at least twice each week.

SEC. 6. *Be it further ordained,* That every person, firm, association, or corporation upon whose or its premises, within the city of Mobile, is kept one or more horses, mules, or cows shall register at the office of the Board of Health the name of the owner, the location where such animal or animals are kept, and the number of the animals kept at any given location.

SEC. 7. *Be it further ordained,* That any violation of this ordinance by any person, firm, association, or corporation shall be punished by the recorder by a fine of not less than $10 or more than $100 for the first offense, and not less than $5 per day for each succeeding day that the offense continues after notice has been given by the health officer.

SEC. 8. *Be it further ordained,* That this ordinance shall be in force and effect from and after the date of its adoption: *Provided, however,* That compliance with sections 3 and 4 may be delayed until the 1st day of November, 1912; and thereafter the entire ordinance, without exception, shall be in full force and effect.

[Ordinance adopted Nov. 14, 1911.]
